Please review carefully the boundaries and expectations outlined below. Please have both people initial next to each statement indicating your agreement and sign at the bottom. These are considered a necessary condition for treatment.

## CONSENT TO PAYMENT POLICIES

### PAYMENT POLICIES

\_\_\_\_\_ I understand that all Copays, Deductible payments, Self-pay, or Sliding-scale fees are due at the time or service. If my insurance company denies paying for my services or indicates a deductible payment or different copay amount than indicates on my insurance card, then these payments are due five business days after I am invoiced.

\_\_\_\_\_ I understand that if I don't have insurance, I will be expected to pay the noted fee (or sliding scale fee) for these services at each appointment. Any payments may be made via cash, check, or credit card.

\_\_\_\_\_ I understand that the full-scale fees for services are as follows: Intake Assessment **\$200**, After hours Therapy **\$200** per 55 minutes, Counseling / Therapy Appointments **\$150** per 55 minutes, Couples Therapy Appointments **\$130** per 55 minutes, and a one-time **\$30** fee for the Gottman Relationship Checkup Assessment Measures for couples psychotherapy clients.

\_\_\_\_\_ I understand that any balances not paid within 30 calendar days may be turned over to collections with an additional 2% late fee added. I understand that if my bill must be turned over to collections due to not paying my balance after 30 calendar days, I am responsible for the collections fees (typically 40% of the total bill).

\_\_\_\_\_ I understand that if payment for the services I receive is not made, the therapist may stop my treatment.

\_\_\_\_\_ I understand that if I pay by check or credit card and the payment is later recouped (e.g. the check bounces), a fee of **\$30** will be added to the balance. I understand that this balance must be paid by alternative means in 5 days.

### ADDITIONAL SERVICES

\_\_\_\_\_ I understand that any out of session communication (telephone call or other medium) lasting more than 5 minutes will result in a fee of **\$25** per 15 minutes. There will be no fee for contacts lasting less than 5 minutes.

\_\_\_\_\_ I understand that other services such as record preparation, report writing, and other documentation are charged at the rate of **\$25** per 15 minutes.

\_\_\_\_\_ I understand that if I choose to subpoena Stephen Ratcliff, all legal services including preparation time, testimony time, transportation time, and commute time will incur a fee of **\$300** per hour due prior to testimony date.

## CONSENT TO CANCELLATION POLICY

\_\_\_\_\_ I understand that if I am unable to attend my scheduled therapy appointment, I must first notify Families First Therapy by email or at 505-504-5449 by text or voicemail 24 hours in advance of my appointment.

\_\_\_\_\_ I understand that if I do not call to cancel or reschedule my appointment, this will be considered a **no-show**. Additionally, arriving later than 20 minutes for my scheduled therapy appointment time constitutes a no-show. No-shows to appointments are not covered by my health insurance and will result in a subsequent fee. The fee is **\$25** for all clients. Reoccurring no-shows / same day cancellations may result in the termination of my counseling.

\_\_\_\_\_ If extenuating circumstances arise and I cancel in advance of my appointment but not with 24 hours notice, Families First Therapy may choose to waive this fee on a case-by-case basis.

\_\_\_\_\_ I understand that if I miss my scheduled appointment, it is my responsibility to call to set up subsequent appointments. Failure to cancel with 24-hour prior notice *may* result in me losing my preferred time slot. If I am failing to maintain contact, Families First Therapy may take this as communication that I am terminating services.

## INFORMED CONSENT FOR RELATIONSHIP COUNSELING

### General Information

Please review the following boundaries and information carefully and thoroughly. Please feel free to ask any questions!

- I utilize Gottman method, attachment-focused, emotion-focused and other supplementary couples therapy methods. I seek to create a tailored treatment approach that builds on your relationship's strengths and addresses your unique situation and struggles.
- Once we have started Couples therapy, I will be unable to offer individual therapy for any of the relationship members. This is due to a conflict of interest. I would be happy to offer a referral if desired.
- In relationship therapy, the relationship is the client rather than any of the relationship's members.

### Expectations of the Process

- I will never advocate for you to stay together at all costs or to divorce. These decisions are yours to make and my job is to support you in making your relationship decisions rather than dictate a certain path for you.
- While I seek to support you in your relationship goals, I cannot guarantee any outcome from treatment.
- The continued participation by all members of the relationship is voluntary. Any participant may suspend or terminate the therapy at his or her individual request at any time.

### Unique limitations regarding Confidentiality

Due to couples work involving two people, the following information is important to clarify at the beginning of therapy.

- In order for counseling information or records to be released, all members of the relationship must provide their written authorization. If all members of the relationship who participated in this therapy (as identified below) do not provide consent, then records cannot be released.
- Because there are two or more individuals who are the focus of treatment, privilege cannot be guaranteed. This means that confidentiality is somewhat more limited compared to individual therapy where information disclosed is considered privileged. Thus, anything involved with relationship counseling may not be privileged communication.
- I receive occasional professional consultation to help me improve my provision of services. Neither your name nor any identifying information about you and your relationship are revealed during these consultations.
- Because the process of relationship counseling involves a high amount of vulnerability in the efforts to build a closer emotional bond in the relationship, it is understood that all partners will not use the information disclosed during the therapy process against any other partner in a judicial setting of any kind, be it civil, criminal, or circuit. Likewise, neither party shall for any reason attempt to subpoena my testimony or my records to be presented in a deposition or court hearing of any kind for any reason, such as a divorce or custody case.
- Because of the limitations due to my scope of practice, I am unable to make any kind of formal recommendation or state any opinion regarding child custody (Custody recommendations are only permitted by a psychologist custody evaluator).

### No Secrets Boundary

My allegiance is to your relationship and not to any of the partners of your relationship as individuals. I find this is particularly important in creating a space where all partners can feel safe. Therefore, I adhere to a strict "No Secrets" policy. This means that I will not hold secrets for any partner. This policy is intended to allow me to continue to treat the relationship by preventing, to the extent possible, a conflict of interest to arise where an individual's interests may not be consistent with the interests of the relationship being treated.

*I affirm that I have read, fully understand, and agree with the Informed Consent for Relationship Counseling. I also affirm that a representative of Families First Therapy, LLC has answered all of my questions about these policies.*

## RELATIONSHIP COUNSELING PAYMENT AGREEMENT

Partner 1 Name: \_\_\_\_\_

Partner 2 Name: \_\_\_\_\_

I \_\_\_\_\_ (responsible party) agree to pay \$ 130.00 per session, **for relationship psychotherapy services** received through Families First Therapy, LLC.

I also agree to, and understand, the following conditions:

- Sessions are defined as one hour in length. Extended fees may be incurred for longer sessions.
- The client, or responsible party, will be held responsible for all fees charged.
- Sliding scale fees are to be determined using the client's household income and the number of people in the household. All sliding scale arrangements must be made in advance of the session.
- Fees are due at the time of each session and will be accepted in the form of cash, check, credit card, or money order.
- Fees will only be refunded in the event that the service is not delivered.
- Non-payment of fees could result in the discontinuation of services to the client.
- Clients will be billed for any unpaid services via an invoice by mail. Any unpaid balances may be turned over to collections after 30 days.
- Insurance will NOT be billed for these services; consequently, none of the fees for services will be applied to an insurance plan's annual deductible.
- Because no diagnosis will be rendered and an individual is not being treated, insurance cannot be billed for these services.
- A \$10 discount will be applied per session for any payments made in cash or check by clients at the time of service.
